

A Questions Prompt Sheet

Use this guide to help prompt open questioning and to respond to student answers. The questions aim to develop reasoning, reflection and transfer.

- What did you decide/ create ?
- Why do you think that ?
- How did you reach that conclusion ?
- Are you happy with your final answer ?
- Could it have been anything else ?
- What similarities/ differences did you notice ?
- What assumptions did you make and why ?
- Is there any other way to look at it ?

- Tell me more about ...
- What do you mean by ...
- So, you're saying that ...

- What if ...?
- Is that the same as ...?
- How did your ideas change ?
- What do you think now ?

- If you did it again, what would you do differently ?
- Where else could you use this ?
- What did you find difficult ?
- How did you overcome that ?
- What do you still need to find out/ do next ?
